## SQUIRES – Award winning fish and chips of the highest quality

*Squires Fish Restaurant prides itself on doing the classic British dish of fish and chips proud. Not only do we use the freshest fish of the best quality, but we aim to let it speak for itself by covering it in only the lightest of batters (or you can have it unbattered if you'd prefer). Our chips are sizzlingly hot and healthily chunky, and you'll find all of the traditional accompaniments – from gherkins to mushy peas.*

*But it's the service and cleanliness which we think really makes us stand out from the rest. We hope you enjoy your visit, and don't forget that we also provide a take-away service next door.*

“Thank you very much for the delicious fish and chips Norma and I enjoyed earlier this week. Fish and chips is one of my favourite meals and yours was the best I have ever eaten. Your kind hospitality and generous portions will be remembered for a long time.”

*John Major, ex-Prime Minister*

“We love Squires.”

*Damien Hirst*

“Best fish and chips in North Devon – the famous meal is still making waves at Squires in Braunton”

*Executive Traveller*

British Seafood Industry's Fish and Chip shop of the year.  
Twice Winners South West & Wales.

“The Squire family have elevated the prosaic familiarity of fish and chips to a new level. What they have done is to perfect an English classic and achieved a level of consistency in its perfection that is unequalled in my experience.”

*Anthony Gibson, former Regional Director of the National Farmers Union*

“Your customers would be most impressed if they saw what goes on behind the scenes in terms of cleanliness, positive attitude and frying skills.”

*Richard Chivers, Seafood industry*

“Their fish & chips are the best I have ever tasted! The owners and staff cant do enough to make your visit a memorable one.”

*Traditional Fish & Chip Winner, North Devon Food & Drink*

“Would drive miles and miles for your fish & chips – Love it!”

*Camilla Dallerup*

“This is a fish and chip shop of legend. There is nowhere quite like it for miles.”

*Food Magazine*

“An award winning fish and chip shop – an accolade richly deserved.”

*Brian Highley, Devon Life*

“I found their fish and chips great with a very light batter covering a thick fillet of very fresh fish and the chips where thick and floury on the inside and beautifully crisp on the outside.”

*Rick Stein, Seafood Lovers Guide*
