SQUIRES

ALLERGEN NOTICE

Due to supplier changes and product availability some of our products may have changed and so allergen information may be different.

Please speak to a team member or call us on 01271815533 if you have any questions.

SQUIRES take allergens very seriously and make every effort to ensure that we rigorously follow the guidance set out by the [Food Standards Agency](#). We continually review and update our ALLERGENS list but due to supplier changes and product shortages, ingredients and recipes may change and we would always recommend you make us aware of any allergy, particularly severe allergies, so that we can recheck individual items before ordering.

The majority of our food is freshly prepared in store daily and whilst we make every effort to control cross contamination, our ingredients and or dishes are prepared in environments where allergens are present. We therefore cannot guarantee that any item on our menu is allergen free.

Therefore, if you have a very serious reaction to any food allergen, please seriously consider whether purchasing food from us is safe for you.

If you would like to discuss any Allergen before ordering please call us on 01271815533 and we will be happy to help.
